

Dry food

St Laurent

Primates 10 mm

SSNIFF range
(Reference : 400703)

Presentation

This complete feed was designed for the maintenance of pre-adult and adult primates. Because of an improved protein quality by well-chosen protein sources, the requirements for indispensable amino acids will be met, despite of the medium high protein content. Moreover, the feedingstuff has an excellent taste due to the addition of dried fruits that enhances the acceptance by the animals

Pack size

Bag of 10 kg (Ref. 400702)
Granule size : 10 mm

Recommendations

Adjust food intake to maintain ideal body condition and to minimise waste

Composition

Soybean products, wheat & wheat products, corn & corn products, sugar beet pulp, whey powder, molasses, minerals, banana meal, soybean oil, vitamins & trace elements, stabilized vitamin C, DL methionine, L-lysine HCl, L-threonine, L-tryptophan, flavours.

Crude protein	%	25.20
Crude fat	%	4.30
Crude fiber	%	4.20
Ash	%	7.40

Instructions

Store in a cool dry place, and close the bag after use
Always ensure clean fresh water is available
