

Dry food

St Laurent

Premium with colouring

Lundi range

(Reference : 400314)

Presentation

Floating extruded food combining a balance of nutrients, vitamins and minerals for optimum nutrition. Hygienic (mould resistant). Guaranteed no preservatives or bonemeal. Very firm nuggets, weather resistant, will not create dust and economical. Longer buoyancy. Contains real sea salt and spirulina for a natural diet.

Recommendations

Extrudates high energy food. Food specifically for ornamental water birds. The same food as the Premium but with a supplement of canthaxanthin for pink flamingos during the breeding season. When fed regularly it ensures optimum growth and vitality due to the high level of protein. The high levels of canthaxanthin allow the development of the pigmentation necessary to provide the basic colour for pink flamingos
