

Dry food

St Laurent

Regular with colouring

Lundi range

(Reference : 400313)

Presentation

Floating extruded food combining a balance of nutriment, vitamins and minerals for optimum nutrition. Hygienic (mould resistant). Guaranteed no preservatives or bonemeal. Very firm nuggets, weather resistant, will not create dust and economical. Longer buoyancy. Contains real sea salt and spirulina for a natural diet.

Recommendations

Food specifically for ornamental water birds. The same food as the Regular but with a supplement of canthaxanthin for pink flamingos. This product has been formulated to satisfy the needs of pink flamingos during winter. The combination of sea salt, spirulina and carotene gives a glossy vibrant plumage.
