## Nutribird F16

Versele Laga range

(Reference: 403105)

### Presentation

Versele-Laga NutriBird F16 is a balanced complete maintenance food for fruit doves, thrush- and jay-like birds and other fruit- and insect-eating birds. Also suitable for lorries. Versele-Laga Nutribird F16 is a scientifically approved composition, based on selected cereals and plenty of fresh fruit. Completely consumable, no waste. Contains Florastimul: supports the intestinal flora and protects against intestinal disorders.
